

**Department and function:**

Group Leader and Head of the Laboratory of Molecular Diagnostics; Pathology

Education:

1986-1992 University of Hannover, Biochemistry
1992-1996 PhD, Molecular Biology

Positions:

1996-1998 Head Laboratory of Molecular Diagnostics
Institute of Pathology, Bielefeld
since 1999 Research Group Leader and Head of the
Laboratory of Molecular Diagnostics,
Institute of Pathology, Hannover Medical School

First name:**Ulrich****Last name:****Lehmann****Acad. Title:****Prof. Dr. rer. nat.****Address:****OE 5102
Hannover Medical School****Phone and e-mail:****++49-511-532 4475
Lehmann.Ulrich@MH-
Hannover.de****Further information:****www99.mh-hannover.de/
institute/pathologie/****Major research interests:**

Epigenetics of malignant neoplasia
Tumor evolution
Molecular diagnosis of neoplasia
Main focus on breast cancer and hematological neoplasia in humans
