

## Department and function

Group Leader, Cell Biology

## Education:

1982-1987 Biology, Technical University of Munich

1988-1992 PhD Thesis, MPI for Biochemistry, Martinsried

## Positions:

1992-1997 Postdoc at Washington University, St. Louis, MO, USA

1997-2000 Assistant in the Department of Immunobiology,  
University of Bonn

since 2000 Assistant in the Department of Cell Biology

First name:

**Robert**

Last name:

**Lindner**

Acad. Title:

Dr. rer. nat.

Address:

OE 4130

Hannover Medical School

Phone and e-mail:

++49- 511- 532-2918

-3912
