

**Department and function:**  
Professor, Cardiology and Angiology

**Education:**

1984-1990 Medical School, Albert Ludwigs  
University Freiburg i. Br.  
1987-1990 Doctoral thesis: Role of the Renin-  
Angiotensin System in Experimental Heart Failure.  
1992-1993 Clinical Residency, Dept. of Cardiology,  
Freiburg, University Hospital  
1993-1996 Postdoc, Dept. Of Experimental  
Pathology, EMORY University Atlanta, USA.  
1996- Dept. Of Cardiology and Angiology, MHH

**First name:**  
**Bernhard**

**Last name:**  
**Schieffer**

**Acad. Title:**  
PD Dr. med.

**Address:**  
OE 6880  
Hannover Medical School

**Phone and e-mail:**  
++49-511-532 4666  
++49-511-532 3270
