

Education

College/University:

1999 B.Sc.-University of Mysore, India

2001 M.Sc.-University of Mysore, India

Highest degree:

M.Sc. in Biochemistry

Major Subjects:

Microbiology, Zoology, Botany

Projects/Research:

Functional analysis of the role of Protein kinase C gamma in the mammalian circadian clock

Restoration of circadian rhythmicity in Per2/Cry1 mutants in constant light

Scholarships:

1. Gold medallist in Master of Science
2. Venkataraman Aarthie award

Scientific Interests and Goals:

My main field of interest is Genetics and Molecular Biology. With the expertise I gain from these fields I would like to contribute to the upliftment of mankind and society and also understand to certain extent the great complexity of life.

Hobbies and other interests:

Singing, Dancing, Cooking, Interior decoration, Reading, Flower arrangement

First name:

Diya

Last name:

Abraham

Date of birth:

15.07.1979

Country:

India
