

**Education****College/University:**

J.N.U. New Delhi, India

Highest degree:

M.Sc. in Biotechnology

Major Subjects:

Cell Biology, Immunology and Molecular Biology

First name:

Amar Deep

Last name:

Sharma

Date of birth:

21.02.1979

Country:

India

E-mail:

**m_amardeepsharma
@rediffmail.com**

Supervisor:

**Prof. Ott
Gastroenterology,
Hepatology and
Endocrinology**

Projects/Research:

Differentiation studies of adult as well as embryonic stem cells into hepatocytes.

Scholarships

Department of Biotechnology in India
Gesellschaft der Freunde der MHH

Scientific Interests and Goals:

I'm interested in stem cell biology and want to explore their differentiation potential for therapeutic purposes and to understand regulation of pluripotency of stem cells.

Hobbies and other interests:

To play and watch cricket matches
