

**Education****College/University:**

1995-2001 Philipps University Marburg (Germany)
2001-2002 University of Pretoria (South Africa)
2002 Pritzker School of Medicine Chicago (USA)

Highest degree:

MD

Major Subjects:

Microbiology, Cell Biology, Proteomics

First name:

Frank

Last name:

Traub

Date of birth:

19.08.1975

Country:

Germany

E-mail:

Traub.Frank@
MH-Hannover.de

Supervisor:

Prof. Kreipe
Pathology

Projects/Research:

Influence of BMP-2 on human bone marrow cells
Proteinprofile of human breast cancer

Scholarships:

Forschungspool der Universität Marburg (2000)

Scientific Interests and Goals:

Tumor growth and development

Hobbies and other interests:

swimming, handball, economics, travelling

Publications:

Wilke A., Traub F., Kienapfel H., Griss P. Biochem Biophys Res Commun.
2001; 284:1093-7.
