

Education

College/University:

1999-2001 University of Pondicherry, India

Highest degree:

M.Sc. in Biotechnology

Major Subjects:

Biotechnology

Projects/Research:

Molecular characterization of complement-mediated FcγR gene regulation as an amplification loop of the innate immune response to immune complexes.

Scholarships:

1. Awarded By DBT, India for selection in All India Combined M.Sc. Biotechnology Program (1999-2001).
2. Junior Research Fellowship awarded by Council for Scientific and Industrial Research, India (July, 2001).
3. Grant from the „Gesellschaft der Freunde der MHH“ for my doctorate study.

Scientific Interests and Goals:

To study the regulatory aspects of transcription at the level of protein-DNA interaction.

Hobbies and other interests:

Music, travel and cricket

First name:

Syed

Last name:

Raza Ali

Date of birth:

08.07.1979

Country:

India

E-mail:
