

First name:

Raj Kumar

Last name:

Bhayadia

Date of birth:

21.07.1982

Country:

India

E-mail:

**raj.slsjnu
@gmail.com**

Supervisor:

**Prof. Dr.med. Nisar P.
Malek
Dept. of Gastroenterology,
Hepatology and
Endocrinology
and Institute for
Molecular Biology**

Education

College/University:

2002-2006 G.B. Pant University of Agriculture and Technology,
B.Sc. In Agricultural Sciences

2006-2008 Jawaharlal Nehru University, M.Sc in Life Sciences.

Highest degree:

M.Sc. in Life Sciences

Major Subjects:

Molecular Biology, Biochemistry, Human Genetics, Cell Biology,
Immunology etc.

Projects/Research:

Research project at Jawaharlal Nehru University

Characterization of a novel rat cDNA with repeat sequences:
Implications for the rat piRNA

Current Project at HBRS

Importance of Proteasomes in cell cycle regulation and development
of anticancer therapeutics.

Scholarships:

1. National Talent Scholarship (2002-2006) awarded by Indian
Agriculture Research Institute in BSc.
2. Junior Research Fellowship (JRF) 2007 awarded by Council for
Scientific and Industrial Research (CSIR), India.

Scientific Interests and Goals:

My main field of interest is Molecular Cell Biology. Cancers puzzle
me. I aspire to build a successful career as a scientist and independent
investigator. In long-term I want to contribute more to my country by
developing it in a strong nation in terms Science and Technology.

Hobbies and other interests:

Music, Cricket, Movies, Reading Novels etc.

Publications:

None
