

First name:
Krishna C

Last name:
Vallabhaneni

Date of birth:
22.01.1983

Country:
India

E-mail:
krishna.c.vallabhaneni
@gmail.com

Supervisor:
Prof. Dumler
Experimental Nephrology

Education

College/University:

2007-2008 National Center for Biological Sciences, JRF
2005-2007 Sri Ramachandra University, M.Sc in Biotechnology
2002-2005 Sri Bhagawan Mahaveer Jain College,
B.Sc. (Biotechnology, Genetics, Biochemistry)

Highest degree:

M.Sc. in Biotechnology

Major Subjects:

Biotechnology

Projects/Research:

Current Project at HBRS:

Role of Urokinase receptor in mobilization and differentiation of mesenchymal stem cells: impact on blood vessel repair after vascular injury and organ transplantation.

Research Project at NCBS:

Identification and Characterization of Cervical Cancer Stem Cells and its Implication in Cancer Initiation and Metastasis.

Scholarships:

1. Junior Research Fellowship (JRF) at National Center for Biological Sciences (NCBS), India.
3. Qualified Graduate Aptitude Test in Engineering (GATE), India.

Scientific Interests and Goals:

My main field of interest is Stem cell Biology,
My goal is, a career in research and educating people in science and to achieve deep personal satisfaction from my work and in doing so hope to attain an unprecedented level of excellence in the intriguing world of research.

Hobbies and other interests:

Acting, Movies, Music, Karate etc...

Publications:

Krishna Chaitanya V, Jonnala Ujwal Kumar, Edible Vaccines, Sri Ramachandra Journal of Medicine. 2006 Sep;vol I(1):33-34
