Sorting Request

Before using this form it is mandatory to contact the core facility personnel and carefully read our information on www.mh-hannover.de/sorter-lab.html

Name:	**Phone:**
Dept./OE:	**E-Mail:**
Group/PI	**Kostenstelle/Fonds#:**

Preferred date and time for sorting

date	**time**	**estimated duration**
dd-mm-yy	hh:mm	hh:mm

Sample details:

Cell type:

Number of samples: Total cell number per sample x 10^6

Biological Safety Questionnaire (tick appropriate fields)

Does the sample contain primary human cells? yes no

If yes, have donors been screened for infectious pathogens (HIV, HBV, HCV)? n.a. yes no

Does the sample contain any known human or murine pathogens? yes no

if yes, specify:

Are the cells genetically engineered? yes no

If yes, provide safety level: n.a. S1 S2

For S2-Experiments, please provide reference-no. of approval and principal investigator:

For sorting of infectious material or genetically engineered organisms of biosafety level S2 please ask core facility personnel.

E-Mail Request to Sorter-Lab@mh-hannover.de

Sorting details:

Fluorochromes

488 nm none none none none none none

640 nm none none none

405 nm none none

560 nm none

Requested nozzle size: ? 70 µm 100 µm 130/150 µm

(consider reduced sorting speed for nozzle sizes >70 µm)

target population(s) into: -well plate 1.5 ml 5 ml 15 ml

Is there a similar setup available from a previous sort? yes no

If yes, please provide date and machine:

Special requirements:

Please send the filled form to sorter-lab@mh-hannover.de by clicking the "Send E-Mail Request" button above. You can also store it to your computer as a template for future use. Use the "Reset Form" button to reset all fields with the exception of your personal header.
