

# CALL FOR ABSTRACTS NOW OPEN!

DEADLINE 1 MAY 2018

We welcome abstract submissions related to birth, based on biomedicine, biomechanics, socio-cultural perspectives, organizational issues, neuro-psycho-social perspectives, and dissemination of academic knowledge.

**SUBMIT YOUR ABSTRACT HERE >**

<https://eubirthresearch.wixsite.com/eubirthconf18/call-for-abstracts>

- All submissions should be no longer than 250 words.
- Each abstract should include the rationale, method, results/conclusions, and implications of findings.
- Any individual may submit a maximum of 2 abstracts of any kind.
- All abstracts must be written in English.
- A maximum of 3 keywords should be included.
- Abstracts must only be submitted via the on line submission system. Abstracts submitted by fax or e-mail will not be accepted.
- Abstracts submitted for presentation will undergo a thorough selection process carried out by members of the Scientific Committee.
- Abstracts not selected for oral presentation will automatically be considered for poster presentation.
- Authors of selected abstracts will be notified by the end of May 2018.
- All accepted abstracts will be published as an online abstract book. It is assumed authors whose abstracts are accepted will give consent and authorise the Scientific Committee to publish their abstract.
- Please note that presenting authors of all accepted abstracts must register and pay the conference registration fee by the deadline for early bird online registration. The abstracts of authors who fail to do so will be removed from the programme and will not be published in the final abstract book.
- The Scientific Committee will retain the right to allocate your presentation to a slot in the programme.
- Oral presentations selected for plenary sessions will have 15 minutes to present, plus 5 minutes for discussion.
- Poster size - A1 to A0 format maximum, portrait layout.
- Poster presentations will be on display at the Conference on both days.
