

Scale of fees
European Master of Science in Midwifery
Department of Obstetrics, Gynaecology and Reproductive Medicine

21.07.2009

In accordance with section § 13 subsections 3 and 14 subsection 1 of the Law of higher education for Lower Saxony, issued on June 24th 2002 (Nds. GVBl. S. 286), and as amended on February 26th 2007 (Nds. GVBl. S. 69), the MHH has issued the following scale of fees.

§ 1
Semester and tuition fees

The European Master of Science in Midwifery is billable. Students of this masters programme are obliged to defray semester fees (§ 2) and, if applicable, module fees (§ 3).

§ 2
Semester fees

Semester fees consist of administrative costs, student union fees, student service fees, and tuition fees. These fees must be paid within the matriculation and re-registration deadlines for the respective summer or winter semester. Deadlines and total fees will be detailed in a timely manner by the MHH.

§ 3
Module fees

- (1) For participating in modules, the MHH charges a fee which must be paid within the deadlines detailed by the MHH. Students will receive detailed information on the total fee and the deadlines in a timely manner.
- (2) The figure depends on the number of ECTS taught in the module.

§ 4
Implementation

This scale takes effect the day after its publication.
