

How can I become a “Sponsor”?

Sponsoring students

For financial support of our MD/PhD students, we look for „Paten“ (sponsors).

If you donate at least **15.000,- Euro**, which corresponds to a salary for one year (salary for 3 years = 45.000,- Euro), the grant will hold your name, e.g. „MLP Fellowship“.

The name of the sponsor will appear on all our marketing material. You will be invited to all our public events and will receive regular information.

The student will get into contact with you regularly to report about his/her ongoing work.

Sponsoring events

For financial support of events, in particular our annual workshops, orientation weeks/lab rotations, opening ceremonies and final exams, we seek for sponsors.

In case of a donation of at least **4.000,- Euro**, you are named „sponsor“.
